HAVE A NICE DAY!

LIGHT 'EM UP

Why not brighten up your day with some Sylvania light bulbs from the Freshman Class! You never know when you'll have a blow-out, and need some extra bulbs. The price is only two dollars for a pack of six bulbs-- two of each wattage: sixty, seventy-five and one hundred. The Freshman

Class would appreciate your business and support.

SENIOR SPOTLIGHTS

Virginia Madden is a senior this year at K.S.B. She has been on the Cheerleading Squad for six years; has served two years as Captain of the squad, and was elected as Queen candidate in the 8th, 10th and 12th grades (placing as first runner-up all three times.)

"The reason I tried out is because I enjoy speaking in public. I like seeing people happy and I could try to make them happy and see them get involved in what is going on at school."

After she graduates, Virginia plans to go to Spencerian College.

Raymond Martin, a senior, has attended K.S.B. for ten years. He has participated in track as a mile tandem runner (running with a sighted guide) for three years. His first year he ran with Scott Townsley, his second and third years, with Leslie Riggs.

While running he says he concentrates on the latest songs; his last mile run was in DeKalb, Illinois.

When he graduates, Raymond would like to join another track team or join a combo and sing.

Steve Robbins is a senior from Guston, KY. and has been a student here for four years. He has served as a WKCR disc-jockey for the last four years. After graduating, he would like to tune pianos and go into radio and music.

Rhonda Spurlock is eighteen years old and has attended K.S.B. for three years. Rhonda has participated on the track and bowling teams. Her interests are cooking, sewing, music, writing, and hiking. After she graduates, she plans to take some vocational training for a job.

GOOD LUCK SENIORS!

***** ***** ***** ***

Some people wash their faces each morning in the sink.

I use the water fountain and wash mine as I drink.

STUDENTS APPRECIATE TIME

The residential students at K.S.B. would like to thank the administration for the hour that has been given to them after breakfast and the thirty minutes after lunch.

This time is valued greatly by the students. Many use it as a time to study, while some use it as a time to relax and share a laugh or two with their friends. Our appreciation goes to you-all!

COTTAGE LIFE

Do you know how life is in the K.S.B. dorms? Some students like watching TV, while others enjoy playing cards. For those big eaters, there is a fully equipped kitchen--a stove and refrigerator. A washer and dryer are available for laundry.

Students must also keep their rooms neat. Vacuuming the carpets and mopping the bathroom floors are included.

This is a good way to learn daily living skills along with some responsibilities. Knowing how to live and how to take care of what you have is as much a part of life as studying.

WHAT'S AHEAD OF YOU

Have you ever considered furthering your education? A person, no matter how old he is, never stops learning. Maybe you want to be a computer programmer, teacher, or secretary; if so, education is vital!

Here in Kentucky, an agency called Rehab (Rehabilitation) pays for the education of blind or handicapped persons who cannot afford to pay their own way to school (college or vocational.) Many vocational schools and colleges train handicapped and/or blind people. If you wish to further your education and develop specific job skills, arrange to talk with a Rehab counselor.

CONSTRUCTION AHEAD

Work has begun on the new auditorium which will also contain music classrooms and administrative offices. Located between the "white house" and the Classroom Building, it is expected to be finished by Sept. 1976.

Students should be extra careful when close to the work site. Serious accidents can easily occur if precautions are not taken. The Frankfort Ave. driveway leading to the school building is closed and will be for an undetermined amount of time.

A NEW ADDITION -

The Kentucky Colonel Staff would like to announce the birth of Lawrence Philip Mann, the 8 lbs. 3 oz. son of Mr. and Mrs. Larry Mann. The baby was named Lawrence after his father, and Philip after Mr. Mann's high school wrestling coach. "Philip taught me a lot while I wrestled for him. Not only about wrestling, but about life,"

remarked the new father.

Congratulations to the new parents.

WILDCAT WRESTLING COUNT DOWN

This year's wrestling season began with a surprise scrimmage match against Stuart High School. The bigger surprise was the results: KSB won 50-27! They marched ahead with two consecutive wins over Moore and Trinity High Schools.

Wildcats faced their first loss at Durrett. After three more losses, KSB began 1976 with a victory over Male High. The team's record now stands at four wins and three losses. The Cats will wrestle four tournaments during the next five weeks--the Quadrangular, N.C.A.S.B., Regional, and State tournaments. These tournaments are very important. Give our wrestlers the support and spirit they need!

TEAM SCORES: 1975-1976

Stuart 27--KSB 50	Seneca 36--KSB 30
Moore 24--KSB 27	St. X 53--KSB 6
Trinity 18--KSB 22	Male 34--KSB 45
Durrett 37--KSB 28	

WHITE CANE TOURNAMENT WEEKEND

Saturday morning began the 1975 White Cane Wrestling Tournament. The teams participating included: Indiana, Ohio, Illinois, and Kentucky Schools for the Blind.

Billy Gill led the Wildcats to the mat at 88 lbs., followed by Mike Ward--98 lbs., Scott Townsley--105 lbs., Donny Stivers--112 lbs., Richard Barnhart--119 lbs., Kenneth Jones--126 lbs., Danny Beemer--132 lbs., Doug Keathley--138 lbs., Mike Osborne--167 lbs., and Billy Wright--Heavyweight.

Making it to the semi-finals, Kenny Jones won his first match, but lost his second.

KSB had five champions: Mike Ward, Richard Barnhart, Doug Keathley, Mike Osborne, and Scott Townsley.

HIGH SCHOOL ALL-AMERICANS

Four KSB wrestlers--Richard Barnhart, Doug Keathley, Danny Beemer, Scott Townsley and Mike Ward--have been selected

to be featured in the 1975-76 volume of High School All-Americans.

Each wrestler will receive a certificate for framing and individual athletic biographies will appear in the book which will be sent to college coaches. "To be considered for such an award you must have distinguished yourself in athletic performance, sportsmanship and extra-curricular activities."

The Colonel Staff would like to salute these talented athletes.

BLIND OLYMPICS

This year there will be a "Blind Olympics." Dr. Charles Buell, who has been involved with blind schools for many years, is in charge of the games. There are two divisions based on eyesight in the Olympics: no vision and 1 to 10 ft.
200 ft.

Danny Beemer and Richard Barnhart fall into the second category. The other members of the team do not meet the requirements and cannot participate.

Danny and Richard will be considered to go to a track camp in the Midwest, where they will compete with the blind athletes in the U.S.A.

K.S.B. WRESTLERS--COMMENTARY

K.S.B.'s wrestling team this year is the best team they have had in years! They have really improved over the last two years, thanks to Coach Mann, a man with many years of experience and a lot of patience. With this year's experience and practice, they will be even better next year! Keep up the good work!
